CITY ILLUMINATIONS

VÝHRADNÍ ZASTOUPENÍ PRO ČR

Decorations delivered with power cable and attachment kits, without bulb or satilight. All the catalogue products are made using LEDs.

Eco-tax:

In light of the development of European directives and interpretations, some of our products, which are not subject to this tax, may be added to this during the year. The scale can also evolve during the year. The eco-tax cannot be discounted or reduced.

Tax on all light bulbs:

The tax is applicable to both professionals and individual customers. For light bulbs, Leblanc illuminations is affiliated with Recylum.

Tax on other electrical products :

The tax is applicable to people who resell to individual customers as well as professionals. The tax is not applicable to professionals on the condition that they deal with the end-of life recycling of products. In this case, the professionals involved must send a confirmation letter to Leblanc illuminations. Leblanc illuminations is affiliated with Ecologic for electrical products.
